

BUILDING A SUSTAINABLE GLOBAL BIOECONOMY

THE UNION LEAGUE OF PHILADELPHIA, PA, USA

Life Sciences Queensland

MONDAY 3 JUN 2019

Life Sciences Queensland, the peak industry body for the Life Sciences sector in Queensland, Australia invites you to attend this year's forum – BUILDING A SUSTAINABLE GLOBAL BIOECONOMY – Focussing on developing partnerships, boosting economic growth and facilitating investments.

The global bioeconomy sector is growing and gaining momentum. New priority areas are emerging along with the development of new bioeconomy policies and strategies by various countries. This forum will be attended by high-level Queensland Government and Regional Council representatives, provides an opportunity to hear about world-leading research, innovations and advanced bio manufacturing capabilities and investment opportunities from Queensland, Australia!

The forum will also be an enabling platform facilitating international discussions between key stakeholders from a number of countries and exploring opportunities for building long term collaborations and advancing priority areas of mutual interest in research relevant to the global bioeconomy.

The event will be held from 9:30am – 11:30am, Monday 3rd June 2019 at The Union League of Philadelphia, 140 South Broad St, Philadelphia.

This is an invitation only forum. If you would like to attend, please register your interest via: support@lsq.com.au
